

Brian Toohey, B.Eng
Secretary
Canadian Geothermal Energy Association

Brian Toohey is the Board Secretary for the Canadian Geothermal Energy Association (CanGEA). Brian also serves as Co-Chair of the Canadian Reporting Code Committee (CRCC) developing the Geothermal Code for Public Reporting. Brian has worked with CanGEA since 2008. Brian is currently a Reservoir Engineer with Nexen Inc, a Canadian-based energy company.

Brian's reservoir engineering experience is in both oil and natural gas plays in the Western Canadian Sedimentary Basin. Brian has also worked with Nexen as a Project Development Engineer and as an R&D Technology Analyst. Brian has previously worked with Apache Canada and in the mining industry with Teck Resources.

Brian holds a Bachelor of Chemical Engineering (with Distinction) from Dalhousie University in Halifax, Nova Scotia. At Dalhousie University he was the recipient of the Chemical Industry Merit Award for highest academic standing in his final year of study. Brian is currently enrolled in the Chartered Financial Analyst program.
