

Qualified Person Registration Form

Pursuant to the requirements of the Canadian Geothermal Code for Public Reporting

.....
(insert name of Company)

.....
(insert name of Company representative to be registered as "Qualified Person" under the Geothermal Reporting Code)

.....
(insert address and contact details as they are to appear on the "Registrar of Qualified Persons")

- I have read and understood the requirements of the 2010 Canadian Geothermal Code for Public Reporting (Geothermal Reporting Code).
- I am a Competent Person as defined by the 2010 Geothermal Reporting Code, having five years experience, which is relevant to the geothermal play under consideration described in the Report, and to the activity the Qualified Person is undertaking.
- I am a Member or are registered with an association with a governing Code of Ethics or equivalent, or can prove credentials and reasons that highlight the qualification under the "qualified person" prerequisite of the Geothermal Reporting Code.
- My company is a registered corporate member of the Canadian Geothermal Energy Association (CanGEO)

Description and summary (e.g. a descriptive list of projects worked on) highlighting the work experience under the “five year experience” prerequisite under the Geothermal Reporting Code, relevant to the geothermal play under consideration described in the Report, and to the activity the Qualified Person is undertaking.
